Dear Paul & Staff,

I'm sitting here munching on a breakfast of chicken piccata and roasted vegetables and reflecting on the incredible party you created for us last night. It exceeded all of our expectations. The atmosphere was festive, upscale, organic and warm. The food was gorgeously displayed and tasted as good as it looked! The service was attentive and thorough. Whatever strings you pulled with Mother Nature worked--the weather was perfect! So many of our friends gushed over the food and venue and I can't wait to share this with our community members who are looking to host parties! Thank you so much for making this event so memorable. Now back for third helpings on the chicken!  
Warmly, Naomi
